This book is an INDEX to published and unpublished marriage records.

Compiled as follows:

Year of Marriage	Surname Indexed	Given Name		To Whom Married	Where Married
1676	ABBOT	Mary	&	Jn Hibbert	Morley

Thus, Mary Abbot and John Hibbert were married at Morley, Derbyshire, England, in 1676.
-- Derby 12, Vol. 5, p. 1.

The common spelling of the surname is placed in capital letters at the beginning of all entries pertaining to that name, and only the variation in spelling is given thereafter; otherwise the surname is not repeated.

In making the Index most given names were abbreviated. When copying entries from it, write all given names in full.

In some cases, names of males are indexed in separate volumes from those of females for the same period of years. Consult both the index to males and to females.

PATRONS ARE CAUTIONED to look up the more complete entry in the printed marriage record of the parish mentioned, whenever such marriage is available in the Library.

Thus in Boyd's Marriage Index for Somerset appears this entry:
"1598 TROTT Agn & Jno Aplin Pitminster"

By referring to the printed marriages for Pitminster, Somerset, we find the entry in full, as follows:

"John Aplin, s. of Richard Aplin, & Agnes Trott, d. of Robart Trott, md. 26 Aug. 1598."
